

Product name	Fibrebox MDB-S 96/48F splice and patch 5 in-/output for grommets IP65
Product code	5061017
GTIN	7332811368912
ETIM-Class	EC002067

PRODUCT SPECIFICATIONS

The Fiber Optic Box MDB-S is a durable fiber optic box, designed for various fiber organizers inside. The box can be configured to address a wide range of fiber optic splice and/or connectivity applications for PON, GPON and 5G networks. The engineered design provides IP65 protection from water / dust ingress and IK10 impact resistance to keep your critical network connections safe inside. The MDB S provides the ideal splicing solution for multi dwelling unit fiber distribution points or outdoor pole mounted splice applications.

Measurements

Length	106 mm
--------	--------

Height	295 mm
Width	187 mm
Weight	1150 g

Technical Specifications - Termination/Distribution Boxes

PIA Certified	Yes
Environment	Indoor, Outdoor
Number of splices	48
Number of Entry/cable ports	5
